

## **Continuing Education Reciprocal Agreement Between Oregon and Washington**

The following information will serve as official notification that State of Washington has notified us that the reciprocal continuing education agreement between the State of Washington and Oregon for electricians will be terminated effective November 30, 2009.

For those who hold both Washington and Oregon electrical licenses make sure to complete an approved continuing education class for both of your licenses. Please feel free to contact Stanley Zhang, Continuing Education Specialist, at 503-373-1238 if you have any questions or need further assistance with this matter.
