REPEAT VIOLATOR						
2005-0459 Phil	Spirit Enterprises of Oregon, Inc. DBA <u>Stan The Hot Water Man</u> , licensed Boiler Contractor	Respondent allowed Randy Ritmiller, a journeyman plumber, to install two (2) 120-gallon hot water heaters in Oregon City without first obtaining the installation permits. These particular heaters were not exempt under ORS 480.525 (and ORS 480.684 did not apply) because they have a MAWP of 160 psi. This case related to BCD Case 2006-0080.	10/24/03	\$7,000	\$5,000	Respondent signed a consent order and, in addition to a \$5,000 civil penalty, agreed to: (a) a 30-day suspension of its boiler business license, (b) to submit a plan to the Division and to the Board outlining how the company will avoid further compliance issues in the future. That letter is before you as "Exhibit A." Division recommends approval of the Final Order. The fine has not been paid. Case submitted by BCD boiler inspector.
