Agenda Item 1. Welcome.

Agenda Item 2. Approve minutes of February 27, 2006 meeting. Meeting minutes of February 27, 2006 were approved as submitted.

Agenda Item 3. Board authority discussion. Andrea Simmons discussed rule location. Division 030 and 035 does not change board authority. In 030 and 035 the board retains the authority, the division can't make any changes to these rules. Elevators are a little different, the board is advisory.

Once Division 030 general requirements for application and examination go into effect, the redundant rules for all programs will be repealed or amended. The board has not given up any authority.

All license applications and continuing education processes will be in Division 030 and 035. The rules for each program area will retain experience requirements with cross-references to Division 030 and 035.

Agenda Item 4. Finalize draft rules. Division 030 rules, *Exhibit "A"* were distributed. ORS 455 defines advisory boards and lists them individually.

Division 035 rules, *Exhibit "B"* were distributed, along with repeal and amendments, *Exhibit "C."* Committee members will review these rules and meet back April 24, at 1:30.

Agenda Item 5. Timeline. The timeline was not discussed.

Agenda Item 6. Adjourn. The meeting was adjourned at 3:20.
