INSTRUCTIONS

Complete the first two sections – **Filing Information** (Box 1) and **Home Information** (Boxes 2-9) for all filings. Individuals may need to complete additional sections, depending on the nature of the filing. When submitting a change of site, exemption status, or ownership, all owners identified in Box 22 must sign.

Filing Information

Box 1. Nature of filing. This is a multi-purpose form; mark the box that reflects the purpose of this filing.

Home Information

- Box 2. Home ID.** Identification numbers are assigned by the State of Oregon for all manufactured structures for which ownership has been established in the state. If this filing is an initial filing for a new structure, leave this space blank. If the home was previously titled by the Oregon Department of Motor Vehicles, you may provide the DMV license plate number (X-plate) instead of the home ID number.
- Box 3. Dwelling type.** Mark the appropriate dwelling type for this home, using the following criteria:
Manufactured dwelling – a structure on a chassis with wheels whose primary use is as a residence.
Recreational vehicle – a habitable structure on wheels that can be pulled on the roadway without a special permit.
Pre-fab housing – a residence on a chassis with wheels that is not a manufactured dwelling (contact Building Codes for clarification).
Park trailer – a habitable structure on a chassis generally requiring a special permit to be moved on the roadway.
- Box 4. DMV X-plate number.** If ownership of the structure was established with DMV prior to May 2005, an X-plate number was issued. If known, enter the X-plate number. Either the X-plate number or the home ID number must be provided to identify the structure.
- Box 5. Manufacturer.** The name under which the manufacturer of the structure commonly does business.
- Box 6. Manufacture year.** The year that the structure was manufactured.
- Box 7. Square footage.** The square footage of the home's living area. Do not include porch, garage, or other non-living areas.
- Box 8. Model.** The model name or identification that differentiates this structure from other structures produced and sold by the manufacturer.
- Box 9. Dwelling section information.** Include the full manufacturer's serial number; HUD label numbers for each section, if available; and the length and width of each section.

Site Information

- Box 10. Current site address.** Enter the physical address at which the structure is currently located. Include the county. This must be filed with the **taxation/assessment** clerk in the designated county.
- Box 11. Current park name and space number.** If the home is in a manufactured dwelling park, enter the park name and space number.
- Box 12. New site address.** Enter the address at which the home will be sited after the move. **If the structure will not be moved from the current site, check the appropriate box.** If the home is to be moved into storage or dealer inventory, check the appropriate box. Note that the structure must be relocated to the new address within 30 days or the owner must re-file to correctly reflect the current location of the structure.
- Box 13. New park name and space number.** If the home will be located in a manufactured dwelling park after the move, provide the name of the park and the space number.

Exemption Declaration

- Box 14. Exemption.** Ownership documents for a manufactured structure must be filed with the State of Oregon unless the purchasers declare that the home is exempt from this requirement for one of the reasons listed. Select only one exemption status. Owners claiming exemption because the structure will be filed as real property in the county real estate records must file in the county in which the home will be sited within 25 days of the date the notice of sale is filed.

Owner(s) Information

Complete the following fields for each owner. If there are more than four owners, submit the required information on a supplemental sheet.

- Box 15. Owner name.** Enter the owner's full name. Note that owners have the option of being notified by mail when any change of site, ownership, or security interest is filed. The first individual/entity listed will always be notified; other owners may indicate that they wish to be notified by checking the "Notify" box.
- Box 16. Owner entity.** Owners may be businesses or persons. Check the appropriate box.
- Box 17. Mailing address.** Enter the mailing address of the new owner. If the address is the same as the owner immediately above check the same as above box. The first owner listed must have an address listed; other owners must provide a mailing address if they have indicated they wish to be notified of changes.
