10 WHEREAS the Board and Respondent wish to settle this matter informally. Respondent agrees to conduct all future business in compliance with the applicable statutes, administrative rules, and specialty codes:

NOW THEREFORE, as evidenced by the authorized signature subscribed on this Order, Respondent hereby consents to the entry of this Order:

14 **FINDINGS OF FACT**

1. Respondent is a licensed boiler/plumbing contractor in Oregon.
- 16 2. On or around May, 2006, Respondent engaged in the business of installing the pressure piping for an air receiver tank at 2701 Front Street in Woodburn, Oregon, (Loxcreen) for the account of another. Respondent did not first obtain an installation permit prior to making the installation. Respondent later obtained the permit and compliance was achieved.

18 **CONCLUSIONS OF LAW**

- 19 1. Pressurized piping to an air receiver tank is a "boiler" under 480.5 15(2)(b).
- 20 2. By engaging in the business of installing a boiler without having first obtained a valid installation permit, Respondent violated ORS 480.630(5).

**ORDER**

24 The Board, acting pursuant to ORS 455.775(2) hereby ORDERS that the Respondent shall: CEASE AND DESIST from further violations of the Oregon Building Codes, statutes, administrative rules, specialty codes, or any Order issued by a State Building Codes Advisory Board.

Pursuant to ORS 455.895(1)(c) and OAR 918-001-0036, Respondent is assessed a \$1000 civil penalty for violation of ORS 480.630(6).

The Board further ORDERS the imposition of \$750.00 of the \$1,000.00 total civil penalty be stayed for the period of three years from the date of this Order, under the following terms and conditions:

The Respondent shall not violate any provision of Oregon Building Codes Statutes, administrative rules, specialty codes, or any Order issued by a State Building Codes Advisory Board.

The remaining \$250 civil penalty is due and payable ten (10) days after this document becomes a Final Order. Failure to submit payment will result in your account being forwarded to the Department's Fiscal and Business Services Division for collection. The Department will pursue collection of unpaid civil penalties by filing a lien against your real estate holdings, by tax refund offsets through the Department of Revenue, or through an outside collection agent.

Failure to pay the assessed civil penalty, or, should another violation occur, the department may seek suspension of your license pursuant to ORS 455.129(1)(b). The department will aggressively pursue any future complaints without exception.

If Respondent fully complies with all conditions imposed herein, the \$750.00 stayed civil penalty shall be waived at the end of the three-year period and shall no longer be imposed. If the Board finds that the Respondent has violated any of the terms and conditions stated herein during the three-year period from the date of this Order, the Board by and through Director of the Department of Consumer and Business Services may impose the \$750.00 stayed civil penalty. Further, this Order does not limit the Board from other actions to enforce other violations of the Oregon Building Codes statute, administrative rules, and specialty codes.
