

1 **ORDER**

2 Pursuant to ORS 455.895(1)(b) and OAR 918-001-0036, the Board finds Respondent violated
3 ORS 479.620(3) is assessed a \$2,000 civil penalty.

4 The Board further ORDERS that \$500 of the \$2,000 total civil penalty be stayed for the period of
5 five years from the date of this Order, under the following terms and conditions:

6 Respondent shall not violate any provision of Oregon Building Code statutes, administrative
7 rules, specialty codes, or any order issued by the division or a State Building Codes advisory
8 board.

9 The remaining \$1,500 civil penalty is due and payable after this document is signed by the
10 Board. It shall be considered a failure to meet a term or condition of this order should a Final
11 Demand for Payment be issued to Respondent and Respondent fails to pay the penalty within the
12 time period stated on the Final Demand. Failure to submit payment will result in collection of
13 the entire \$2,000 civil penalty.

14 The Board further ORDERS an additional \$500 be stayed from the \$1,500 civil penalty if
15 Respondent remits a full payment of \$1,000 within 10 days of the date the ORDER is signed by
16 the Board.

17 If Respondent fully complies with the conditions imposed herein, the stayed civil penalty shall
18 be waived at the end of the five-year period. If the Board or the Director of the Department of
19 Consumer and Business Services finds that the Respondent has violated any of the terms and
20 conditions stated herein during the five-year period from the date of this stipulated agreement,
21 the Board or the Director may collect the stayed civil penalty. Further, this stipulated agreement
22 does not limit the Board or Director from other actions to enforce other violations of the Oregon
23 Building Codes statute, administrative rules, and specialty codes.

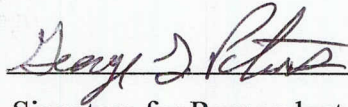

24 **CONSENT TO ENTRY OF ORDER**

25 I, George L. Peters, state that I have read the foregoing Order and by my signature attest that
Respondent knows and fully understand its contents; that Respondent consents to the entry of
this Order and admits the allegations contained in the Findings of Fact; that Respondent has been
advised of its right to a contested case hearing, and to be represented by legal counsel in this
matter; that Respondent freely and voluntarily consents to the entry of this Order without further
hearing, without any force or duress, and expressly waives any right to a hearing in this matter.

I understand that the Board or the Director may take further actions to enforce this Order or upon
discovery of other conduct in violation of the Oregon Building Codes statutes, administrative
rules, and specialty codes. I further state that Respondent will fully comply with the terms and
conditions stated in this Order. I further assure the Board and the Director that Respondent will
not perform work or conduct business in Oregon unless such activities are in full compliance
with Oregon Building Codes statutes, administrative rules, and specialty codes.

1 I understand that this Consent Order is a public document.
