**Notice to Suspend License(s)# 5612JP**

**BCD Case #2007-0297**

Mr. McKee:

As indicated in our correspondence on July 28, 2008, you have a payment agreement with DCBS collections for outstanding civil penalties due, resulting from the Stipulated Agreement signed on June 10, 2008. In that Stipulated Agreement it states that if you fail to honor any and all payment requirements established by DCBS collections, your plumbing license, number 5612JP, shall be immediately suspended.

Because you have failed in your obligation to make payments in agreement with DCBS collections department, your license is being suspended as of August 15, 2008.

This letter is your notice that the division and State plumbing board, under ORS 455.129, is suspending your license, pursuant to the notice of suspension sent to you on April 18, 2008. Your license will remain suspended until you have paid your civil penalty and any accrued interest in full.

Because your license is suspended, it is unlawful for you to perform work that requires that license; such violations give rise to a civil penalty of up to \$5,000, pursuant to ORS 455.895.

Please contact me if you have questions.

Respectfully,

Jon Hills, Manager  
Enforcement & Licensing Section  
Building Codes Division
