STEP 3

VERIFIER INFORMATION

Applicants submitting verification of equivalent training and experience under OAR 918-030-0030(1)(c) must provide verification from the following persons:

- A current or previous employer actively involved with the applicant's work;
- The individual who supervised the work if the current or previous employer is no longer in business, is deceased, or otherwise cannot be located; or
- A co-worker who was directly involved in the work performed, only if both the employer and the supervisor cannot be located. Co-worker verification must be accompanied by supporting documentation, such as employment records, showing that the verifier worked with the applicant and has knowledge of the work performed.
