

Manufactured Structure Multipurpose Change Application

INSTRUCTIONS

This form and all supporting documents must be filed with the taxation/assessment office of the county where the home is currently located.

If the county refuses to process this transaction, forward this form along with the county refusal form to the State of Oregon, Building Codes Division, P.O. Box 14460, Salem, OR 97309-0404.

Complete the first two sections – **Filing Information** (Box 1) and **Home Information** (Boxes 2-8) – for all filings. Individuals may need to complete additional sections, depending on the nature of the filing. When submitting a change of site, exemption status, or ownership, all owners identified in Box 21 must sign.

Filing information

Box 1. Nature of filing. This is a multipurpose form; mark the box that reflects the purpose of this filing.

Home information

Box 2. Home ID number. Identification numbers are assigned by the state of Oregon for all manufactured structures for which ownership has been established in the state. An existing number is located on the Ownership Document or Status of Manufactured Home Ownership. If this is an initial filing for a new structure, leave this space blank. If you are an agent for BCD, please enter the ID number on this form after building the account. If the home was previously titled by the Driver and Motor Vehicle Services Division (DMV), you may provide the DMV license plate number (X-plate) in Box 4 instead of the home ID number.

Box 3. Dwelling type. Mark the appropriate dwelling type for this home using the following criteria:

Manufactured dwelling - a structure built on a permanent chassis, being used for residential purposes; for example: a residential trailer, mobile home, or manufactured home.

Pre-fab housing - a building or subassembly, more than 8½ feet wide, built in a factory according to the Oregon Residential Specialty Code, for assembly at a site.

Recreational unit/park model - a structure designed to be an RV or park model. RVs/park models more than 8½ feet wide must be recorded with the county taxation/assessment office. RVs/park models less than 8½ feet wide are to be titled with DMV.

Box 4. DMV X-plate number. If ownership of the structure was established with DMV prior to May 2005, enter the X-plate number, if known. Either the X-plate number or the home ID number must be provided to identify the structure.

Box 5. Manufacture year. The year the structure was manufactured.

Box 6. Manufacturer. The manufacturer's business name.

Box 7. Model. The name that differentiates this structure from other structures produced and sold by the manufacturer.

Box 8. Dwelling section information. Include the full manufacturer's serial number and HUD label numbers for each section of the structure, if available.
