

**Amendment proposal process for the
2008 Oregon Electrical Specialty Code**

Beginning September 14, 2007, the division will accept code amendment proposals for the 2008 Oregon Electrical Specialty Code.

Affected Code:

The current code is the 2005 Oregon Electrical Specialty Code, based on the 2005 National Electrical Code.

Timetable:

The division will accept proposed code amendments from September 14, 2007 through October 31, 2007. No code amendment proposals will be accepted on or after November 1, 2007. Any interested person may propose amendments to the code.

Proposal Process:

All proposals must be submitted to the division in writing. The division has provided a form that includes the code amendment proposal criteria; the form is available at:

<http://www.bcd.oregon.gov/pdf/2652.pdf>

Proposals will be reviewed by the Electrical Specialty Code Review Committee. The committee will make recommendations concerning the adoption of proposed amendments to the Building Codes Division. The code review committee will meet beginning in October and will meet through November of 2007.

The 2008 Electrical Specialty Code is scheduled to be effective April 1, 2008.
