Re: 2008 Manufactured Dwelling and Parks Specialty Code Review Committee

The Building Codes Division is forming a code review committee regarding the adoption of the 2008 Oregon Manufactured Dwelling and Parks Specialty Code. This committee will review code change submittals to the 2002 Oregon Manufactured Dwelling and Parks Specialty Code. The committee will then create a list of recommended code changes to be considered for approval.

If you are interested in participating on this committee, the division is seeking the names of 1 to 2 people who can represent your organization to serve on the code review committee. The overall committee size will be 7 to 9 members. The committee is expected to have approximately 3 to 4 meetings starting at the beginning of August 2007. If you are interested in participating on this committee, please contact Albert Endres before 5:00 PM, July 13, 2007.
