

STATE OF OREGON

INTEROFFICE MEMO

BUILDING CODES DIVISION

NOVEMBER 8, 2005

To: Building Officials
c/o various building department jurisdictions

From: Richard Rogers
Structural Program Chief

Subject: Rescission of statewide interpretation No. 01-03 "Clarifications of the Prescriptive Bracing Requirements for Detached 1 & 2 Family Dwellings" based on the 2000 OTFDC, 1998 OSSC, 2000 IBC, and IR 97-1.

The above-mentioned statewide interpretation which was issued in 2001, under the provisions of the previous codes is hereby rescinded with immediate effect. This action is necessary because of the fact that the new code adequately addresses the issues raised in this ruling.
