TRI-COUNTY ELECTRICAL CODE FORUM

(Portland) All electrical contractors in the Tri-County region are invited to a code forum sponsored by the Tri-County Service Center, the National Electrical Contractors Association and the Independent Electrical Contractors. Gary Wilson, the state's chief electrical inspector, will lead the event. Participants receive four hours of continuing education credit for attending. Individuals wishing to attend should contact Marion Peterson, (503) 872-6731, in Portland.

Date Thursday, April 19
Time 4-8 p.m.
Place ... Clackamas County Auditorium
9101 Sunnybrook Blvd., Clackamas

Directions: *From Southbound I-205:* Take Exit 14 (Sunnyside Road), turn right on Sunnyside, turn left at the first signal onto 93rd Avenue, turn right at the first signal onto Sunnybrook, turn right into the Sunnybrook Service Center. *From Northbound I-205:* Take Exit 13 (82nd/Milwaukie), turn right at the first signal onto Sunnybrook Blvd., turn left into the Sunnybrook Service Center.

The Tri-County Service Center is an office of the Oregon Building Codes Division. The center was created by the 1999 legislature to improve services and consistency of requirements for persons seeking permitting and licensing approvals on construction projects in Multnomah, Washington, and Clackamas counties. The 13-member Tri-County Building Industry Service Board provides overall policy guidance for the center, with representation from all segments of the construction industry and local government.
